Re: **Slide Fee Policy**
Date: December 16, 2025

This policy will be used for patients whose insurance is not contracted or accepted by FCHD and who identify themselves financially vulnerable. This policy will be used as a guideline to provide consistency in determining eligibility, but other factors can be considered on an ongoing, individual basis as determined by the Board. These factors include but are not limited to:

- Number of uninsured dependents under the age of 18
- Total household income
- Temporary illness or other situations

Income scale:

<12K annually	number of household	$30.00 visit
<24K annually	number of household	$40.00 visit
<30K annually	number of household	$50.00 visit
<45K annually	number of household	$75.00 visit
50K-100K annually	number of household	$100.00 visit
>100K annually	number of household	$125.00 visit

*Slide fee price may not include some treatment options including:

- Administered medications
- In office test performed
- In office procedures performed
